

RDAQ State Championships

My apologies for omitting the Grade 5B dressage results from the June Newsletter. Congratulations to Grade 5B Champion Katelyn McDonald on Sugah from Sunshine Coast RDA.

Classification

The QLD Dressage Sub-Committee is currently working to find a qualified physiotherapist who would like to broaden their abilities and become an accredited equestrian classifier for our state. This will ensure our RDA riders whom do not wish to become EA members can still be classified for RDA dressage competition. Queensland does not have a qualified person to carry out the process, so if you know of someone who may be interested please contact me. Also, look out for the next issue of SALUTE - Official Magazine of Dressage Queensland (EQ), as I have written an article for the magazine to explain Classification and the processes involved. I hope it will be an interesting read for riders, coaches, and physiotherapist whom may want to be accredited.

Qld Rider Representative Postal Vote

The QLD Dressage Sub-Committee will run a postal vote for the election of this years' Queensland Rider Representative, because there was no riders' meeting held at the last State Championships. Nominations are open to all RDA riders for the volunteer position and should be sent to Matty Sormani mattysormani@bigpond.com before August 20th. Nominations should include a brief description of who you are and why you would like the position. Nominations will be published in the August Riders Newsletter. The duties of the position include providing information to riders in their state, liaising with riders to canvass their views, and be a member of the QLD Dressage Sub-Committee and provide them with reports at their meetings.

Please do not hesitate to contact me with any questions: susan_seipel@hotmail.com .

Happy Riding!
