

Cartmill RDA Dressage Clinic

The dressage clinic held earlier this month at the Cartmill RDA centre was a great success. Many of the riders who attended returned positive feedback. A massive thank you must go to the Cartmill RDA Centre for the huge clean-up they did after recent floods so our clinic could go ahead.

Asia Pacific Video Competition

RDA is hosting an international video dressage competition for all unclassified riders. Riders need to submit a DVD recording of the two tests in their Section. Tests will be judged by three qualified Judges. Entry forms are available at: <http://www.rda.org.au> and entries close August 1st.

RDAQ Statewide Video Competition

The closing date for the RDAQ video dressage competition has been extended to give entrants more time. The new closing date is August 1st. The competition is open to classified riders, unclassified riders, and EQ riders with a disability. Entry forms were sent out with the last Riders Newsletter and should be available to download at: <http://rdaq.org.au>. Contact the RDAQ state office for more information.

Riders Meeting

All riders attending the up-coming RDAQ State Dressage Championships should be aware that there will be a riders meeting after the conclusion of the dressage events. This meeting will be an open forum for riders to express any concerns or ideas and will also involve the election of the Rider Representative.

Up-coming Events
