

Horse Sponsorship Program

Bundaberg Riding for Disabled Coaches and Volunteers currently provide therapy based riding sessions for our clients on the first and third Wednesday of each month. Our riders come from Bundaberg and surrounding areas, just to be part of our riding programs.

Bundaberg RDA is volunteer-based and does not receive any funding to help with the ever-increasing cost of providing these sessions. Sponsorship Programs are essential for our Centre to maintain service delivery to all our riders.

ABOUT OUR HORSES

Being able to provide these specialised riding programs to our community is only possible thanks to our wonderful horses.

Bundaberg RDA's commitment to each and every one of our horses is to ensure they are provided with quality feed, regular shoeing and professional veterinary care. With 6 horses in use at our centre, taking care of them all is an expensive part of our operation.

Your generous sponsorship helps us cover these expensive costs, together with providing appropriate horse rugs and saddlery for our entire herd.

We calculate that as of January 2020, it cost in excess of **\$8,000 per annum** (on average \$1,400 per horse) to maintain the health and welfare of all of our horses. It is important to remember that this amount may increase as we procure more horses throughout the year.

SO HOW CAN YOU HELP?

By being part of the Horse Sponsorship Program, your financial support will help us cover the costs associated in the care and maintenance of all our horses.

With that in mind, we have designed the following sponsorship options to allow for either a singular sponsorship of a horse or multiple sponsorships of a horse.

Horse Sponsorship Options:

\$117 Monthly Donation \$350 Quarterly Donation \$1,400 Annual Donation Other amount
Goods, Services or Useable Equipment

If there is a particular horse at the Centre that you would like to put your sponsorship towards, please just let us know and we'll direct your donation towards that horse. If you don't have a preference, then we will happily choose one for you. With 15 horses to choose from, we'll be able to find the right one for you!

For Sponsoring One of our Horses

In appreciation of your support, we will provide a Certificate with a photograph and brief description of your horse for display, as well as provide you with an end of year update on their progress within our riding lessons, as well as at the Centre. Your name, logo and information will be included on our website, Facebook page and advertising materials. If you have a sticker this will be displayed on our Portable Trailer Ramp

During your sponsorship, we encourage a pre-arranged visit to our Centre to meet your sponsored horse and watch one of our therapy based riding lessons. A visit can be easily arranged by calling 0412 484 182

As a registered DGR Bundaberg RDA Horse-Sponsorship-Program is FULLY TAX DEDUCTIBLE.
